Trouble, or some other distressing disease caused by the deficiency of certain vitamins and/or minerals . . . and if medicines and treatments have failed to help . . . DON'T GIVE UP YET! Science at last has come forward with a revolutionary disease-fighting formula that already has amazed and proved itself to thousands of pitiful sufferers who had abandoned all hope of ever being healthy again! HADACOL IS NOT A MEDICINE!

Unlike medicines, HADACOL is a dietary supplement which, when taken regularly, reinforces body tissues and gives the system the weapons it needs to fight off the crippling blight of these diseases. HADACOL is a precisely balanced scientific formula containing all the important vitamins in the B Complex group - plus four essential minerals: Iron, Calcium, Phosphorous and Manganese.

HELPS YOU NINE DIFFERENT WAYS! Every vitamin and every mineral in HADACOL has its own special job to do in fighting disease. It is because HADACOL gives you all these ital body-building components in one easy-to-take formula that it is such a powerful aid to health. Since deficiency diseases tend to occur as omplexities we therefore use these vitamins in combination with each other.
